Protection & Communication

3M™ PELTOR™ WS™ LiteCom Plus

# Smart solutions, Easy communication

Hearing protection with integrated analog two-way radio enables headset-to-headset communication and can be integrated with similar professional radio communication systems. Can be used on PMR 446 or LPD 433MHz frequencies. Includes Bluetooth® enabled multipoint connectivity for simultaneous seamless connection. The level-dependent function helps you to hear important sounds from the surroundings and communicate with people standing close by.
